THCO50AT

Hidra Compo is designed to withstand pedestrian traffic, especially on sidewalks or similar surfaces.

- Made of Composites , a material that discourages theft, makes no noise, acts as an electrical insulator, is easy to transport, and is completely resistant to corrosion.
- Top surface design according to regulations, to guarantee a completely non-slip finish.
- Complies with European standard UNE EN-124.
- Stainless steel metal hooks for easy opening.
- Closure by means of four stainless steel screws.
- Respect for the environment.
