Low
maintenance

TOLEDO 2000 Bench by BENITO, total dimensions (length x height x depth) 2000 x 845 x 560 mm, made of granite-white precast concrete, backrest supported by four steel rods covered in stainless steel tubing. It rests on a prepared surface under its own weight.

Concrete: Reinforced concrete with a pickled and water-repellent finish. Manufactured with cement, sand, and gravel embedded within a metal structure. Shot blasting results in a high-quality, durable texture.
