| Product                                                                                            | Description                                                                                                                                                                                                                                                                                          |
|----------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>JEDU07</p>     | <p><b>Rayo</b><br/>The EDUCA collection for little ones: play and learn. Begin to familiarise themselves with the weather: rain, sun, clouds... Very clear concepts for an adult but a very interesting discovery for little ones.</p> <p><a href="#">Data Sheet</a> <a href="#">Certificate</a></p> |
| <p>JL1011000</p>  | <p><b>METAL 1 Plano 1 Cuna</b><br/>Swings for children made of different materials such as wood and steel. Resistant to abrasion, corrosion and bad weather conditions.</p> <p><a href="#">Data Sheet</a> <a href="#">Certificate</a></p>                                                            |
| <p>JFS103</p>     | <p><b>Donkey</b><br/>Fun and educative spring swing for children. Made of resistant materials according to the EN1176 standard.</p> <p><a href="#">Data Sheet</a> <a href="#">Certificate</a></p>                                                                                                    |
